ANTIGUA (Leeward Islands-Zone 8)

VP2AB

1962 ARRL CW DX CONTEST

Greetings W.9.Y.T.....

Yr sigs RST 5.7.9 **at** 0854 **GMT on 17 February 1962 in our** 7.... **mc QSO.**

VP2AB was using NC-303 recvr, DX-100 xmtr and Hy-Gain multi-band vertical "Hy-Tower". VP2AB is normally on SSB and uses HT-37 with Heathkit Warrior amplifier. Guest operator for this contact was vacationing John N. Boland, K1AA, ex-W4CC and absentee Potomac Valley Radio Club member. It was his first time "on the other end" and most enjoyable with some 750 QSO's in about 16 hours of operating.

73, Jim Brown, VP2AB, P.O. Box 229, Antigua, British West Indies

Jack

Jack Boland, K1AA, 91 Lincoln Road, Wayland, Massachusetts
